4. A copy of the stallion's breed registration papers showing current ownership must be included with the application.
5. A copy of the stallion's breeding report from prior year, shall be included. This is used to verify eligibility for the Limited Program. The Limited Program is for Stallions that book 15 or fewer mares per year. If you are not eligible, you do not need to provide a breeding report.
6. Birth Year of 1st Foal Crop _____ . For example - if your stallion bred his very first mare in 2016, you will write 2017. This is used to determine Junior Stallion Eligibility. If there are questions this will be substantiated by the Stallion Breeding Report. Erroneous answers are grounds for dismissal from the program.
7. If a stallion owner drops the stallion from the program for any reason, the stallion will not be eligible for re-enrollment under that ownership.
